Features

Quiet Exhaust

The optimized exhaust hole design effectively reduces noise to 25±3 decibels, providing a quieter sleeping environment for you and your family.

Light and Comfortable

Lightweight structure greatly reduces the mask's weight, whether in the office, reading, or sleep time, can be used for a long time to wear a more relaxed and comfortable wearing experience.

Breathable Fit

The adaptive silicone pad fits the facial curve and gently wraps, adapting to various face shapes. The headgear material is breathable and ensures stable and comfortable wearing.

Flexible Rotation

360° rotating interface adapts to various sleeping positions easily, reducing winding and pulling, and enjoying comfortable breathing all night.

Easy to Wear

Flexible wearing structure, say goodbye to tedious disassembly, simple installation and convenient adjustment.
